Sharon,

All the files under Re-Notice and in On Admin Rec folder has been completed, with the exception of files 935, 936, 950 and 958. These files are secured and may need to be re-scanned.

Not sure if you want me to set these up web posting or wait till those files are corrected/completed. Let me know your thoughts or any comments.

Hi Marelyn,

Just wanted to let you know that I scanned and replaced Merrimack Station document #874, so that hopefully you are now able to add the metadata. Please let me know if the document is still "locked".

(Found at Q:Groups\Merrimack Station\Renotice\ON ADMIN RECORD)

Thanks,

-Sharon
